- 05-080 -- Participate in ongoing research activities, or projects involving quality improvement or clinical innovation?
- 05-090 -- Have adequate and appropriate clinical exposure? (ie patients for examination/treatment/discussion)
- 05-100 -- Receive training in the indications for and limitations of pharmacological, laser, and surgical therapies that may be recommended for patients with glaucoma and related conditions?
- 05-110 -- Receive training specific to glaucoma and related ocular and systemic conditions?
- 05-120 -- Receive training in performing evaluations, consultations, history and examinations?
- 05-130 -- Receive training in the use of specialized diagnostic testing appropriate to the subspecialty of glaucoma.
- 05-140 -- see 1000 subspecialty examinations(new and follow-ups) over 12 months?
- 05-150 -- see 150 Subspecialty new patient examinations over 12 months?
- 05-160 -- Were your call and other duties beneficial to your educational experience?
- 05-170 -- If no, please explain.
- 05-180 -- adhere to the Declaration of Helsinki on Rights of Research Human Subjects and to the Association for Research in Vision and Ophthalmology's Guidelines for Use of Research Animals during the course of your research?

PROGRAM EDUCATIONAL CONTENT

Was there adequate teaching or exposure (this does not have to be actual surgery) in the following areas (including cases, lectures, conferences, or informal sessions)?

Operative Procedures:

- 06-050 -- Angle based surgery
- 06-060 -- Trabeculectomy surgery
- 06-070 -- Glaucoma draining device surgery
- 06-080 -- Cataract Surgery
- 06-090 -- Laser surgery
- 06-210 -- Pediatric Exam Under Anesthesia
- 06-220 -- Cyclodestructive procedures
- 06-260 -- Were there any other operative procedures taught?
- 06-270 -- If yes, please explain.

Clinical Material:

06-290 -- tests of visual function such as visual acuity and color vision
06-300 -- visual field examinations
06-330 -- assessment of intraocular pressure and pachymetry
06-360 -- optic nerve and retinal nerve fiber layer laser-assisted digital imaging
06-370 -- gonioscopy
06-380 -- slit lamp examination
06-390 -- optic nerve examination

Other Areas of Didactic Teaching:

Were there opportunities and/or support for the following activities?

06-420 -- Did you participate in clinical conferences and lectures in glaucoma that were separate from patient care activities, including presenting cases, case discussions, grand rounds and lectures?
06-430 -- Were you involved in at least one regional or national meeting with sub-specialty emphasis?
06-450 -- Adequate clinical, surgical and research supervision
06-460 -- How many conferences did you participate in that included review of the literature specific to glaucoma? (for example, journal clubs)?
06-470 -- Did you receive guidance and technical support (e.g. research design, statistical analysis) in the course of your research?

Fellow Supporting Documentation

07-020 -- Surgical Log
07-030 -- Fellow Schedule - Please list a representative weekly schedule of your activities that indicates faculty staffing and/or method(s) of supervision. Please list faculty names specific to each clinic or OR session (If your weekly schedule underwent material change during your training, please submit multiple schedules and label them as to their period in effect).
07-040 -- Comments Please submit a brief summary (less than 200 words) of your overall impression of your training.
07-050 -- E-Mail Please enter your email as your signature.
07-060 -- Date of submission
