

AUPO FCC Pediatric Ophthalmology & Strabismus Fellowship Application Question List

AUPO FCC
655 Beach Street
San Francisco, CA 94109
Phone: (415) 561-8548
Fax: (415) 561-8531

Program Information

Program ID

- 01-030 -- Parent Institution Name
- 01-040 -- Affiliated Medical School or Government Training Institution
- 01-050 -- Fellowship Program Director Name
- 01-060 -- Street address (line 1)
- 01-070 -- Street address (line 2)
- 01-080 -- City
- 01-090 -- State
- 01-100 -- Zip/Postal Code
- 01-110 -- Country
- 01-120 -- Office phone
- 01-130 -- Cell / mobile phone
- 01-140 -- Fax
- 01-150 -- E-Mail
- 01-160 -- Administrator / Coordinator Name
- 01-170 -- Administrator / Coordinator Email
- 01-180 -- Administrator / Coordinator Phone
- 01-190 -- Administrator / Coordinator 2 Name
- 01-200 -- Administrator / Coordinator 2 Email
- 01-210 -- Administrator / Coordinator 2 Phone

Questions About The Institutional Organization

Please select yes or no for ALL the items below: You must answer EACH question.

- 02-020 -- Will the program's approved positions be offered through the San Francisco Ophthalmology Fellowship Match?
- 02-030 -- Is the fellowship affiliated with an ophthalmology residency program accredited by either the ACGME or the American Osteopathic Association (AOA) or Canadian equivalent?
- 02-040 -- Ophthalmology residency affiliation:
- 02-050 -- Will the fellowship program receive a letter of support from the Chairman and/or Residency Program Director of the parent Department of Ophthalmology?
- 02-060 -- Will the Department Chair, Fellowship Program Director and Residency Program Director work together and periodically meet to assure that the fellowship adheres to the AAPOS and AUPO FCC Pediatric Ophthalmology program requirements?
- 02-070 -- Is the program affiliated with a pediatric training program accredited by either the ACGME, American Osteopathic Association or Canadian equivalent?

Department Chair / Contact Information:

- 02-090 -- Chair Name
- 02-100 -- Street Address (line 1)
- 02-110 -- Street Address (line 2)
- 02-120 -- City
- 02-130 -- State
- 02-140 -- Zip/Postal Code
- 02-150 -- Country
- 02-160 -- Office phone
- 02-170 -- Cell / mobile phone
- 02-180 -- Fax
- 02-190 -- E-mail

Questions about the Program's Facilities and Resources

- 03-020 -- Will each Fellow receive medical liability coverage?
- 03-030 -- Does the outpatient area have at least one fully equipped examination lane for each fellow in the clinic (in addition to lanes for faculty)?
- 03-040 -- Is there access to current diagnostic equipment?
- 03-050 -- Do inpatient facilities allow access to sufficient space and beds for good patient care?
- 03-060 -- Are library, research and electronic retrieval of information from medical databases facilities available to the Fellow?

Program Assessment / Evaluation

Will:

- 04-030 -- the educational effectiveness of the program be evaluated in a systematic manner to ensure that the educational goals of the program have been met?
- 04-040 -- there be regular evaluation of the fellow's knowledge, skills, and overall performance, including the development of professional attitudes consistent with being a physician?
- 04-050 -- the Fellowship Director, with the participation of members of the faculty meet with the fellow and provide him/her with evaluation (or feedback regarding evaluation) on a semi-annual basis?
- 04-060 -- the Fellowship Director provide a written, final evaluation that is maintained as a permanent record for each fellow who completes the program?
- 04-070 -- there be a formal mechanism by which the fellow has input into the evaluation of each faculty member's knowledge, teaching skills and commitment, and of program performance?
- 04-080 -- the Fellowship Director document and maintain a permanent record of evaluations for each fellow, and have it accessible to the fellow and other authorized personnel?

Questions Concerning The Fellowship Program Director

Will the Fellowship Program Director...

- 05-030 -- be certified by the American Board of Ophthalmology or possess appropriate equivalent educational qualifications?
- 05-040 -- be a voting member of the American Association for Pediatric Ophthalmology and Strabismus (AAPOS)?
- 05-050 -- Have a practice that conforms to section 1.03 of the AAPOS bylaws with respect to proportion limited to pediatric ophthalmology and/or strabismus?
- 05-060 -- Have at least 5 years of post-fellowship, clinical experience?
- 05-061 -- Been at the site of the program for at least two and a half years?
- 05-070 -- maintain an active clinical practice in Pediatric Ophthalmology and/or Strabismus at the parent institution?
- 05-080 -- be engaged in ongoing research and/or scholarship in the area of Pediatric Ophthalmology and Strabismus, as demonstrated by publications in journals and/or presentations of research and educational material at regional and national meetings?
- 05-090 -- be an active member in a recognized national or international organization providing continuing education in ophthalmology?
- 05-100 -- have a clinical practice consisting of at least 50% of patients who have Pediatric Ophthalmology disorders?
- 05-110 -- be licensed to practice medicine in the state where the institution that sponsors the program is located?
- 05-120 -- have prepared a written statement outlining the educational goals of the program with respect to knowledge, skills and other attributes, and educational goals for each major rotation or other program assignments?
- 05-130 -- have a well-defined written curriculum?
- 05-140 -- select fellows in accordance with institutional and departmental policies and procedures?
- 05-150 -- designate and oversee participation by the faculty?
- 05-160 -- implement fair procedures and due process, as established by the sponsoring institution regarding academic discipline and fellow complaints or grievance?
- 05-170 -- monitor fellow stress, including mental or emotional conditions inhibiting performance or learning, and drug or alcohol-related dysfunction?
- 05-180 -- ensure that accurate statistical and narrative descriptions of the program are developed and maintained?

Will the Fellowship Program Director have developed and maintained documentation of the following:

- 05-200 -- Institutional or inter-institutional agreements?
- 05-210 -- Fellow selection process?
- 05-220 -- Patient care statistics?

Will the Fellowship Director seek prior approval from the AUPO FCC for the following:

- 05-240 -- A change in the number of fellow positions in the training program?
- 05-250 -- A change in the duration of the training period?
- 05-260 -- An extension of individual period of training greater than 3 months?

Will the Fellowship Director

- 05-280 -- periodically evaluate the utilization of resources available to the program and the contribution of each institution participating in the program?
- 05-290 -- periodically evaluate the program's financial and administrative support?
- 05-300 -- periodically evaluate the volume and variety of patients available for educational purposes?
- 05-310 -- periodically evaluate the performance of members of the faculty, and the quality of supervision of fellows?
- 05-320 -- ensure that attending physicians, who supervise fellows, have sufficient experience for the severity and complexity of the patient's condition?
- 05-330 -- Provide the fellow, at time of application, an information packet concerning compliance of fellowships and positions?
- 05-340 -- Inform the fellow prior to the start of training whether they are in a "compliant" or "non-compliant" training position?
- 05-350 -- Inform their accepted applicants of the deadlines for application to AAPOS as members-in-training and regular (post fellowship) membership?
- 05-360 -- Certify satisfactory completion of the fellow's training

Faculty Questions

- 06-020 -- Is there at least one other AAPOS voting faculty member with >1 year post-fellowship clinical experience?
- 06-030 -- Is there at least one faculty member, who may be the Fellowship Program Director, for each approved fellowship position?

For EACH of the faculty, please enter their name including academic rank or title, status, role. Please demonstrate that faculty are currently active through Publications and Research Presentations in the respective form fields below. Selecting appropriate content from each faculty member's CV is acceptable - but do NOT send the entire CV.

Submit only the information requested. Please limit the information to the last 5 years.

- 06-050 -- Faculty Member - Names and Academic Titles
- 06-060 -- Faculty Member - Email
- 06-070 -- Faculty Member - Status (Please select ALL that apply. MUST select at least one)

- 06-080 -- Faculty Member - Role (Please select all educational roles filled by this faculty member. MUST select at least one)
- 06-090 -- Faculty Member - Location. (Please select the locations where this faculty member fulfills their role. MUST select at least one)
- 06-100 -- Faculty Member - Publications in major national/international peer-reviewed journals.
(Please list up to 10 maximum over the last 5 years.)
- 06-110 -- Faculty Member - Research Presentations at major national / international meetings.
(Please list up to 10 maximum over the last 5 years.)
- 06-111 -- Faculty Member - Medical School(s) Year / Institution /medical school / special degree/ completion date
- 06-112 -- Faculty Member - Residences / Institution /medical school / special degree/ completion date
- 06-113 -- Faculty Member - Fellowships / Institution /medical school / special degree/ completion date
- 06-114 -- Faculty Member - Academic Appointments - List the past ten years beginning with your current position, start/end dates and description of position
- 06-115 -- Faculty Member - Current professional activities/committees (limit of 10)
- 06-118 -- Faculty Member - Voting member of AAPOS?
- 06-120 -- Faculty Member - Start Date (yyyy-mm-dd)

WILL THE FACULTY:

- 06-130 -- actively participate in clinical discussions, rounds and conferences in a manner that promotes a spirit of inquiry and scholarship?
- 06-140 -- participate in journal clubs and research conferences?
- 06-150 -- actively participate in regional or national professional and scientific societies, particularly through presentations at their meetings and publications in refereed journals?
- 06-160 -- participate in research, particularly for projects that are funded following peer review and/or result in publications or presentations at regional and national scientific meetings?
- 06-170 -- provide guidance and technical support (e.g. research design, statistical analysis) for fellows involved in research?
- 06-180 -- adhere to the Declaration of Helsinki on Rights of Research Human Subjects and to the Association for Research in Vision and Ophthalmology's Guidelines for Use of Research Animals?

Other Faculty:

Do all faculty:

- 06-210 -- possess appropriate clinical, research and teaching skills, demonstrate a strong interest in the education of fellows, and demonstrate commitment to their own continuing medical education and participation in scholarly activities?
06-220 -- have regularly scheduled, documented meetings to review the program's goals and objectives, and the program's effectiveness in achieving them?

Will all Faculty:

- 06-240 -- be certified by the American Board of Ophthalmology, be in the process of obtaining such certification, or possess appropriate alternative educational qualifications?
06-250 -- be a member of the faculty of the sponsoring institution?
06-260 -- have fellowship training or at least one year experience in the practice of Pediatric Ophthalmology or Pediatric Ophthalmology research?
06-270 -- emphasize in both didactic and clinical aspects of the fellowship training, the AAO principles of ethical and humane treatment?

Other Program Personnel:

- 06-290 -- Are there adequate technical and clerical personnel to allow the Fellow an appropriate educational experience?

Questions About The Educational Program

Will each Fellow:

- 07-030 -- satisfactorily complete a residency in ophthalmology that is accredited by either the ACGME or the American Osteopathic Association-accredited (or Canadian equivalent) or already be certified in ophthalmology by the ABMS (or Canadian equivalent)? OR be a graduate of a non-ACGME-accredited residency program outside of the United States or Canada?
07-040 -- have a minimum of 12 months of clinical training, including appropriate short periods for vacation or special assignments?
07-050 -- Spend at least six (6) months at the parent institution?
07-060 -- prior to entry in the program, be notified of the required length of the program, policies for vacation, duties, stipends and other forms of support?
07-070 -- receive training in the history-taking and examination techniques of ophthalmology as it relates to the discipline of Pediatric Ophthalmology?
07-080 -- Attend at least six (6) journal clubs per year which include pediatric ophthalmology and strabismus?
07-090 -- Maintain a log of attended conferences, seminars, meetings, lectures and hands-on learning (minimum 120 hours)?
07-100 -- Participate in ongoing research?
07-110 -- Have their medical and surgical cases supervised?
07-120 -- In addition to the fellowship director spend at least 20% of the time (e.g. one day/week, etc.) with other faculty members in the program

Meet the minimum number of patients seen/procedures performed as follows:

- 07-140 -- Perform or assist in at least 75 major cases?
07-150 -- Will at least 50 of the 75 Strabismus cases be done under the direction of a faculty member that is an AAPOS member?

Was there teaching in the following areas of Strabismus (including lectures, conferences and informal sessions):

- 07-170 -- Anatomy, physiology, neuro-anatomy?
07-180 -- Sensory adaptation and testing?
07-190 -- Amblyopia diagnosis and treatment?
07-200 -- Refraction management?
07-210 -- Esodeviations and Exodeviations?
07-220 -- Vertical and incomitant strabismus?
07-230 -- Surgery; primary and complex?
07-240 -- Oculinum?
07-250 -- Interpretation of eye movement recordings?

Was there teaching in the following areas of Pediatric Ophthalmology (including lectures, conferences and informal sessions) :

- 07-270 -- Vision development infancy and childhood?
07-280 -- Embryological basis of conditions relative to pediatric ophthalmology?
07-290 -- Neonatal ophthalmology (including retinopathy of prematurity)?
07-300 -- Genetics, inborn errors of metabolism, and syndromes with ocular findings?
07-310 -- Electrodiagnostic testing?
07-320 -- Ocular manifestations of systemic disease in children?
07-330 -- Vision and learning dyslexia?
07-340 -- Vision screening?
07-350 -- Treating the visually handicapped child; low vision management?
07-360 -- Pediatric ocular trauma?
07-370 -- Pediatric ocular tumors?
07-380 -- Ultrasound, CT and MRI in pediatric ophthalmology?

Was there teaching in the following areas as related to pediatric ophthalmology and vision development (including lectures, conferences and informal sessions):

- 07-400 -- External ocular disease?
07-410 -- Lacrimal disorders?
07-420 -- Lid disorders?
07-430 -- Corneal disorders?
07-440 -- Uveal disorders?
07-450 -- Lens disorders?
07-460 -- Pediatric glaucoma; primary and secondary?
07-470 -- Retina and vitreous?
07-480 -- Neuro-ophthalmology?

Preparer's Information

- 08-140 -- Preparer's Name
08-150 -- Office phone
08-160 -- Fax
08-170 -- E-Mail
08-180 -- Date of submission
08-190 -- Is there anything in your submission that needs further explanation? Enter your brief comments here.

Electronic Signature

As Fellowship Program Director, I certify to the best of my ability, that the foregoing information is an accurate reflection of this proposed program and that all of the listed participating faculty have reviewed the application for

verify and agree to participate. (enter your name)

08-220 -- Fellowship Director Name

08-230 -- E-mail address

08-240 -- E-mail address (again as your signature)
